Only 14 teams entries so far have been received for the forthcoming Monday night tennis competitions. However most of these teams will be graded A or B grade making excellent numbers in these divisions. There certainly needs to be more entries for B res and C grade.

Following this weeks pleasant weather, next week the temperature is predicted to rise again. It is therefore likely, a number of teams will get byes this Monday night with the few matches drawn to be played not before 7pm.

Players are asked to encourage others to enter the competition particularly for the lower grades with entries now being accepted up to this Saturday.
